

**At GML there is a passion for conserving places that form our personal and shared stories. We strive to understand how our places and landscapes shape us.**

## Anna Leeson Senior Heritage Consultant

Anna Leeson holds a Master of Museum and Heritage Studies from the Australian National University and a Bachelor of Interior Architecture from the University of Canberra.

Anna is a historic heritage specialist, with skills in the preparation of heritage impact assessments, heritage assessments, archival recordings and heritage management plans. She is skilled in conducting research and providing practical advice on a range of heritage issues.

Anna has worked on a range of Commonwealth projects for the Museum of Australian Democracy, CSIRO and Departments of Defence, Finance, and Infrastructure. Her projects have included work in the Australian Capital Territory, New South Wales, South Australia and External Territories where she worked closely with state and local government agencies and private sector clients.

Anna has a keen interest in the relationship between the built environment and cultural and personal associations.
