

## Jacob Gwiazdzinski

### Heritage Consultant, Archaeologist

Jacob Gwiazdzinski is an archaeologist with experience working on historical and First Nations sites of local, state and national significance. He holds a Master of Research from Macquarie University, and a Bachelor of Archaeology and Graduate Diploma of Archaeology and Heritage Management from Flinders University.

Prior to joining GML, Jacob worked as a subcontractor archaeologist on historical and First Nations excavations throughout New South Wales. He has also been involved in archaeological and ethnographic projects in South Australia, Tasmania, the Northern Territory and Dendera, Egypt.

Jacob has strong skills in research, photogrammetry, site surveying as well as on-site photographic and archaeological recording.
