

Christiane Moodie Senior Heritage Consultant

Christiane Moodie, GML Senior Heritage Consultant, holds a Bachelor of Architectural Design from the University of Queensland and a Graduate Certificate in Heritage Conservation from the University of Sydney.

Christiane has over seven years of experience working in small and large scale organisations in the heritage and architectural industries. This includes working in Queensland and New South Wales in both the private and public sectors.

Since 2019 Christiane has worked in heritage consultancy firms within New South Wales. She has prepared heritage impact statements, conservation management plans, schedules of conservation work, specific element conservation policies, maintenance plans, opportunities and constraints analyses, and provided peer review of heritage management documents prepared by other firms.

Her experience includes providing heritage design advice to both public and private sector clients across a range of sites and building typologies. Specifically, Christiane has extensive experience in acting as a Nominated Heritage Consultant. In this role, she has liaised with consent authorities and provided ongoing heritage advice and design liaison to clients and project teams to ensure heritage-related requirements and conditions of consent are satisfied.

Qualifications

Graduate Certificate in Heritage Conservation, University of Sydney
Bachelor of Architectural Design, University of Queensland

I believe that providing an ongoing use for heritage places and allowing the community to engage with them helps to maintain important stories of our collective memory.
